…or for poorer
For richer or for poorer

    - Israelites in Egypt, wilderness, Promised Land, exile

- Shunammite woman – 2 Kings 4: 8-37
In sickness and in health

• Wealth does not mean health
• Poverty does not mean sickness or sin
• Biblical examples
  – Healthy wealth: 1 Chronicles 29:1-19
  – Poor health: Acts 4:32-5:11
  – Abundant health: Mark 12:41-44
  – Repentance and promise of restored health: Malachi 3:8-12
Health Assessment

• What are the signs of health?
• What sickness is revealed?
• What do you find to be the source of health or cause of sickness?
Till death do us part
Do you take me?
For richer or for poorer
