

# Wee Care Newsletter

May 2009

We have successfully navigated into our new rooms and all does seem to be going well! I have to thank our teaching staff for their flexibility during all the transition. They have all worked hard to ensure that your child has been cared for throughout the change.

I've recently heard a number of positive things being said about Wee Care from Luther Seminary staff members, tours that walk in and our St. Paul specialist teachers that come and work with some of our kids. I would like to recognize that you as a parent are our biggest marketing strategy. Simply by word of mouth our center continues to be a place other parents seek out for their child care needs. This has been a wonderful school year and we are ending it well.

Please mark our annual graduation ceremony for our 6 kids entering Kindergarten this fall on your calendars. The graduates are Tom, Morgan, Sawyer, Johnetta, Hannah, and Isadora. These kids along with the other Zippy Zebras will put on a short program and be presented with a diploma and small gift. The event will happen on May 13 at 4:00 in the afternoon. All six of these kids have been with Teacher Edith for the whole year if not longer and will do excellent in school next year.

The Little Lizards will also put on a short display of their talents and receive a certificate for a job well done in their 3 year old room. Teacher Megan will be joined by Teacher Judy for that presentation happening the same day.

\*Last Date Night for the school year is May 8 from 6:30-9:00.

\*Community Lunch May 13<sup>th</sup>-we will let you know which teacher will take her class up for that.

\*Please inform me of your child's last day at Wee Care if they are stopping their enrollment for the summer.

Grace and Peace,

Maribeth
