

# Wee Care Parent Newsletter

June 2009

This is one of the best times of year. All the kids are growing up. This morning I watched many kids write letters and sound out words on the white board. I saw a Zebra and Lizard build an amazing tower that had animals hiding out; they did this for over 30 minutes. I hear Busy Bees learning to talk and actually color and not eat the crayon. This is what we are all about; growing and developing!

We have a busy month.

- I would first like to highlight the fact that the extra warm blankets aren't needed for nap time anymore. A lighter weight would be sufficient, even when the ac is on.
- We have been invited to the Library story time every Wednesday at 10:30. Teacher Edith's group will do this often and Teacher Megan's group will join occasionally.
- We will continue our Friday walks to local parks. This has been really fun! I'm so proud of how long our kids can walk. Ask your child about the local Humpty Dumpty wall we visited.
- We will walk to Gibbs Farm on June 9th. We will need extra chaperones. The cost for chaperones is \$6.00. Wee Care will pay for the kids. Only the preschoolers will go, the Busy Bees will stay behind. We will leave Wee Care at 8:45 and return around 11:30.
- I would like to invite you to fill out a parent survey to help me know how we are meeting your needs. This is anonymous so please feel free to write down constructive criticism if you have any.
- As the weather gets nicer we will start our sprinkler days. Please send a labeled towel and suit.

Lastly, please note that Wee Care will be closed on June 29-July 3. This is our annual deep clean, paint touch up and this year we will be spreading new sand in our toddler playground. You will not be billed for these days.
